

Fifth Sun Design Guide

DESIGN GUIDELINES

1. How to Create your Artwork:

We would recommend your artwork be created in either Illustrator or Photoshop at a minimum resolution of 200 dpi. Final artwork should be at actual size that it would be printed on a tee. Think about where it will be placed on the shirt, limit to no more than 9 colors and use the tee color as an option. Use the included tee shirt templates to mock up your idea for submission.

2. Submitting to Fifth Sun:

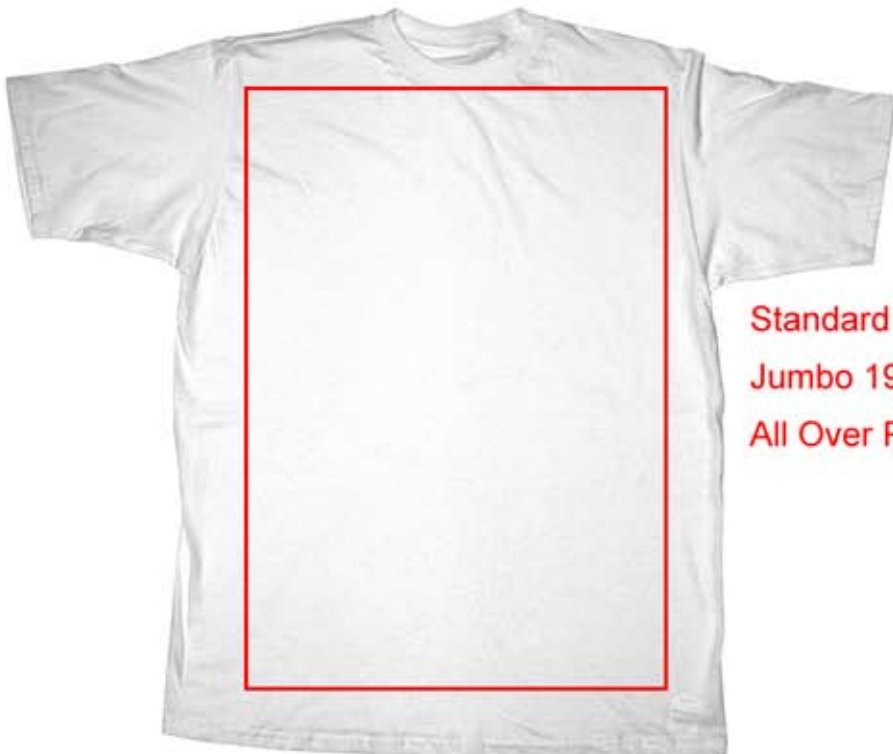

Please provide a low resolution jpeg or pdf file of your artwork, email to artinfo@5sun.com Include your name and contact info.

3. Reasons submissions not accepted for consideration:

Artwork is considered to be offensive or inappropriate.

There is a copyright or trademark concern – do your research!

Artwork is not correct file size or format or file is corrupt.
